

Fir Bank Primary School

Sports Premium Funding Allocation 2026-2027

£11,860.00

The Primary PE and Sport Premium is additional funding provided by the Department for Education (DfE) and distributed to schools through the Education and Skills Funding Agency (ESFA). The funding is allocated to primary schools to improve the quality of physical education (PE), sport and physical activity for all pupils. Schools are expected to use the grant to make sustainable improvements to the PE and sport they offer, ensuring that more pupils develop healthy, active lifestyles and have access to a wider range of sporting opportunities. The funding can be used to increase staff confidence and expertise in teaching PE, provide additional sporting activities, support participation in competitive sport, and promote physical activity across the school day.

Fir Bank Primary School is committed to using the PE and Sport Premium strategically to improve outcomes in physical education, increase participation in sport and physical activity, and develop a lifelong enjoyment of healthy, active lifestyles for all pupils.

Success criteria Increased teacher knowledge, confidence and skill in teaching progressive skills-based lessons To further develop the role of the PE Leader. Increased participation in a wide range of extra-curricular activities Further increase opportunities for outdoor education related to physical activity and wellbeing				
PE Leaders- Rachael McLaughlin				
Activity	Target Date	Lead Person	Resources	Monitoring
