Further Initiatives

Embedding Physical Activity Across the School Day

- Initiatives such as active break times, daily mile, and movement-based learning in classrooms help make physical activity a regular part of the school day.
- These practices are low-cost and can be maintained without additional funding.

Partnerships and Community Links

- We build strong relationships with local sports clubs, coaches, and organisations to provide ongoing opportunities for pupils.
- These partnerships often continue beyond the funding period and offer pathways for pupils to stay active outside of school.
