Review of Christmas events

The team did not have enough time to set up the Grotto, Hall and kitchen properly before people arrived. We would like to request that the hall can be made available from 2pm on those days when the bigger events are held. Perhaps year 6 pupils can also be involved in setting up?

- A lot of the activities weren't taken up so we may not need to organize them next time.

Film night:

47 children attended the last film night. We had hoped for a bigger turn out and recognize that flyers should have gone out earlier.

A suggestion for the future is to hold the event should for all children in yellow class and upwards. It worked better with the children sitting on chairs rather than on mats.
