White Class - Careers' Fair 27th March 2019

Dear Parents/ Carers,

The children in White Class have been invited to attend a **Careers' Fair at MADHLO on 27th March 2019.**

The venue will host a number of different providers who will discuss career opportunities with the children. The provider stalls are interactive and the children will have lots of opportunities to participate in activities, as well as having the chance to ask lots of questions about the different types of jobs which they could do in the future.

The event will run in school time and is split across a morning and an afternoon session. The first group of children will attend in the morning and be back at school for lunchtime and continue with afternoon lessons. The second group of children will participate in the morning lessons, eat their lunch at school and will arrive back at school for **3.15pm (subject to traffic).**

Children should be on school premises for 8.30am. Please ensure that your child is wearing full school uniform, including a green jumper.

If you have any queries, please don't hesitate to contact me.

Many thanks,

Mrs Meara
