Dear Parent/ Carer

World Book Day- Thursday 7th March 2019

Thursday 7th March is World Book day at Fir bank school and we have lots of book themed activities planned for the children.

The theme this year is 'Bedtime Stories' and the children are invited to come to school either dressed in pyjamas; or they may dress as a character from their favourite book.

We would like to encourage our children at Fir Bank to read for pleasure and fun; to be able to lose themselves in another world through the words and pictures of books. We also would like them to share their love of reading with others.

Therefore, two of the activities organised for the day are:

Book Swap: children bring in a book from home (one they have already read and appropriate to their age group) wrapped and labelled with a brief description (no title or spoilers please).

Book Bingo for Reception to Year 6: children complete different activities on the sheet and return their form to school by Thursday 4th April. All returned forms will be entered into a prize draw. Winning entries will receive a £10 book voucher which children will be able to spend on a trip to Waterstones (during school time!).

Please encourage your children to take part in what will be a fantastic day!

Thank you

Regards

Deborah Meara
Year 5 Class Teacher/ Reading Subject Lead
